Frequencies
Howard University

The display below highlights details in the FSSE *Frequencies* report that are important to keep in mind when interpreting your results. For more information about the survey, please visit our website (fsse.indiana.edu) or contact a member of the FSSE team.

- Sample:** The FSSE *Frequencies* report is based on information from all faculty at your institution who responded to the survey based on their experiences teaching either a lower- or upper-division course. Faculty who responded based on another type of course or who did not report the course level are not included in this report.
- Class level:** Frequency distributions are reported separately for faculty who teach lower-division and upper-division courses.
- Item numbers:** Item numbering corresponds to the survey facsimile included in your *Institutional Report* and available on the FSSE website.
