HU Institutional Research and Assessment
Issue 3: Fall 2021

COURSE EVAL.

Thank you Bison for filling out course evaluations! You guys did a great job! Course Evaluations were due December 1st, and you may have noticed a super cool change... They are straight from **BLACKBOARD NOW!** If you missed out on submitting all your evaluations this semester, next semester is a perfect time to submit your assessment of your professor's performance and the course.

PRO Tip: Take notes throughout the semester on the course material AND the professor.

FAREWELL!

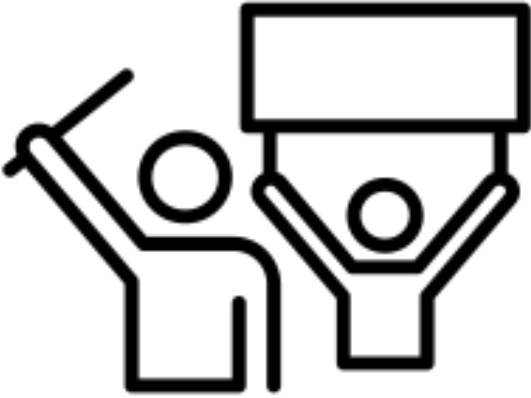

You have transformed from baby Bison, to Bison, and now alumnus/alumna. Before you bid us adieu please fill out the Graduating Student Exit Survey. Tell us where you're going and what your plans are for the future. As Bison we know how to advocate and tell it how it is. **Congratulations**, fall graduates! You have worked extraordinarily hard to complete your semester 100% online. OOF, that one was a doozy... Now in light of all your hard work, take the graduating student exit survey. Let us know how your experience was to have us improve for the future and track the bright future you have to come. One thing is for sure; if you're a Bison, you are destined for greatness in whatever you hope to achieve.

MIDDLE STATES

Fall Checks = New Beginnings = New Goals = ASSESSMENT
Back in October, we have a visit from our accreditation body MIDDLE STATES! Guess what? We did what all Bison do and passed with **FLYING** colors! We are currently ranked higher than we have ever been ranked with US News and World Report. Next year let's knock it out of the park! Which is only possible with your help!

POWER IN YOUR VOICE

This semester has been the highest collective screen time for us all. Classes, Surveys, Freetime, you name it, we did it in front of a screen. If you may wonder if your responses cultivate change, look no further than the reinstated **SPRING BREAK!** This would not have been possible without your responses! Thank you for trusting us and letting us tell your story to make our Bison Community the best and happiest it can be. Howard Forward!

YOUR DATA

Ever thought of looking at what data that the Office of Institutional Research and Assessment collects? Well, guess what? Your manifestations have been manifested! Look at the bigger picture at ira.howard.edu and navigate the site. Look at all the details that go into our rank and your peers' extraordinary achievements. There are fun and interactive applications to get down to what matters most to you! Want to know the Survey schedule? **It's there!** Want to watch cool videos created by Ms. Jemima Pierre, a Junior Architecture major? **It's there!** Want to check out our social media page managed by Ms. Cecily Duffy? **It's there!** Want to read other issues of What's DA Haps? It's not there... Just kidding, **IT'S THERE!** Check all that and more!

THANK YOU!

COVID-19

COVID-19 is on everyone's mind. I want to take the time to thank all our students, alumni, faculty, staff, and our entire Bison Family for sticking with us and supporting us. This time has not been easy in the slightest, but I can honestly say we did what Bison always do; we stayed resilient, persevered, and beat the odds. I wish health, positivity, and peace to you and your families. We are continuing to spread positivity, raising the bar, and being fabulous!
