

Spring 2024 Course Evaluations

Howard University

At Howard University, Institutional Research and Assessment (IRA) conducted course evaluations for 14 colleges and schools. Traditional course evaluations were made available to students on **April 8, 2023** and closed **April 22, 2023**. Faculty received course evaluations on **May 13, 2024**.

For your traditional course evaluations:

- **3218** courses received at least one evaluation;
- **61,500** evaluations were sent out to students;
- **30,992** evaluations were completed (response rate of **50.39%**);
- A total of **19 questions** (8 course and 11 instructor) were asked across all departments.

In the tables below, a Likert scale rating (0-5) is included alongside a mean, standard deviation, and median. These ratings as well as the averages included below aggregate all student responses across the university. The averages are useful when understanding the general student experience across the evaluated courses and are useful in understanding faculty performance regardless of class size.

Law School programs had their own course evaluation project, for which a summary is also included in this report. Non-traditional programs also had their own course evaluation project, for which a summary is not included in this report to maintain anonymity considering the low number of courses.
