data & assessment day

A hybrid conference on April 15-16, 2025

All Howard community members are invited to join us for this exciting event dedicated to exploring key concepts, ideas, and inquiries in data and assessment.

This year, **all sessions will be hosted virtually via Zoom and recorded**. A full schedule and registration will be made available once it is finalized.

Additionally, we invite you to join us for an in-person reception and poster session on April 16 at the Oliver. *Please note that pre-registration is required for the reception.*

Details for poster submissions can be found on our webpage.

Thank you for participating, and we look forward to an enlightening and engaging event!

YOU'RE INVITED!
