

Howard Annual Assessment Process – HAAP Info Sessions for AY 25-26 Assessment Leads

Institutional Research and Assessment - IRA

Refining Mission, Outcomes, and Measures in Academic Programs **-- Monday, September 8th, 3 - 3:45 PM EST**

Description: This Zoom info session is for faculty and staff who lead assessment plans for a degree or certificate program at Howard University. In the session, participants will learn about 'promising practices' on student learning and academic success, as they relate to writing or editing one's assessment plans to develop cogent and comprehensive Mission statements, Learning Outcomes, and Measures.

Refining Mission, Outcomes, and Measures in Non-Academic Programs and Units -- Friday, September 12th, 12 - 12:45 PM EST

Description: This Zoom info session is offered to leadership, staff, and faculty who lead assessment plans for a service or administrative unit at Howard University. In the session, participants will learn about 'promising practices' on student engagement and operational excellence, as they relate to writing or editing one's assessment plans to develop cogent and comprehensive Mission statements, Learning Outcomes, and Measures.

Registration Required before Thursday, September 4th
